Electra-Ride™ LT

Straight Rail Stairlifts

BREAKING THE BARRIERS

New Added Features! Just As Affordable!

Adjustable

The Electra-Ride LT Straight Rail Stairlift makes going up & down the stairs a pleasure!

Safety

With adjustable seat height and low footrest height, you will be totally at ease on your Electra-Ride LT. Carrying up to 275 lb (125 kg), the unit moves without hesitation when stopping and starting. The standard swivel seat makes it easy to exit when you reach the top or bottom of the stairs. The Electra-Ride LT meets all ANSI A-18.1 residential requirements.

Affordable

Electra-Ride LT offers a long list of standard features at a price that will please even the most budget-minded consumer.

Quiet & Smooth Operation

The rack and pinion drive provides a smooth ride which is exceptionally quiet, while the covered gear rack gives you a clean and attractive rail.

Compact

The seat, arms and footrest all flip up for a tight park position, making your stairway completely accessible for family and guests.

The arms, seat and footrest flip up, creating plenty of space for others to walk up the stairs.

The Electra-Ride LT's soft start/stop feature provides the smoothest ride without hesitation.

BRUNO
Electra-Ride™ LT

Compact • Safe

Affordable

You don't have to be limited by stairs anymore, so enjoy the home you love, upstairs and down!

Battery-Powered

Using two 12-volt batteries that are powered by an unobtrusive battery charger plugged into a standard household outlet, the Electra-Ride LT features strip charge contacts for more flexibility when parking. You have access to your upstairs and downstairs, even if electrical service in your home is interrupted.

The arms flip up and out of the way for easy wheelchair transfer.

The footplate and carriage safety sensors safely stop you, even if the slightest obstacle is in the way while you ride!

Folding rail option allows full clearance to doorways or hallways without rail obstruction.

The two wireless call/send controls make installation simple and clean with no wires running along the wall.

The Electra-Ride LT's seat swivels at top and bottom of stairs for easy entry and exit.

SRE-2750 Electra-Ride LT Specifications

Exceptional Value

- ♦ Locking swivel seat at the top and bottom of the stairway. Seat swivels 67° in each direction (adjustable to 90°) at top and bottom of stairs for convenient exit/entry angles.
